The "Kekkon"  
has been  
awakened  
in the  
ground  
below.

Lighting a  
flame in  
my heart...

The name  
of that  
Kekkon is—  
"Zenki"

Zenki himself,  
a descendant of  
Zanpakutō, is a spirit priest  
working together with  
Zenke to defeat  
all the evils  
that plague  
this world!

Dependency Chapter  
**Summer Sky, Ocean Water,  
the Man who Feeds  
on a Beautiful Visage**

At Rainbow Shore  
Beach Resort

I came specifically  
to find BRAUN ARTHUR,  
but all  
the trouble is  
reactionary

THAT'S  
LARGER  
AT THE  
TOWER  
AND  
WILL BE

THE  
END

I won't  
be happy  
to see a  
clerk  
and

THE  
END

You only need  
to open my soul,  
and I may become  
your  
last desire  
in your heart!

WANT

WANT

Looks like my name  
is a great point  
has spread  
to the heavens!

Haha  
This is great!  
Even I can't think  
from the Claret Hilling City

much better  
than before.
